

OPTO-WIPES™

Precision Lens Cleaning Wipes

The only cleaning wipe designed specifically for precision optical surfaces

OPTO-WIPE® precision lens cleaning wipes are made from strong hydro-entangled polyester and cellulose fibers. They are lint-free for use under laminar flow hoods and in clean room environments (to class 100). The proprietary design results in a special texture resulting in unparalleled softness for damage-free cleaning. They can be used on glass, plastics, coatings, and crystals. The texture also traps and removes residue better than other wipes. When used wet, OPTO-WIPES retain and dispense solvents at an ideal rate. They are manufactured and tested for purity for maximum cleanliness. They are reusable for economy.

Applications:

- Lens assembly
- Optical coating operations
- Optical instrument manufacturing
- Component manufacturing
- Maintenance of optical instruments and equipment
- In cleanrooms and under laminar flow benches

OPTO-WIPES are available in a sky blue color that darkens when wet for excellent process control, and a slightly more pure, white version for the most critical applications. They come in a large variety of sizes and packaging options.

Benefits:

Super-soft – Cushions wiping action to prevent scratches

Compliant – Conforms to surface for efficient wiping

Efficient cleaning – Traps and removes particles and residues in a single motion

Absorbent – Soaks up, retains, and dispenses solvent at ideal rate of evaporation for streak-free cleaning

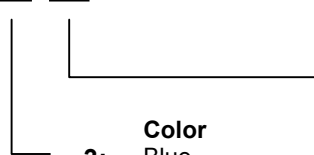

Pure and Lint-free – Maintains and maximizes cleanliness

Strong – durable when wet, reusable and economical

Ordering information:

Order by model number as shown below. For example, ordering 12 ea. LCW-304 will get you twelve packs of 200 blue wipes per pack.

LCW -

Color
3: Blue
4: White

	Wipe Size	Wipes/Pack	Availability
01:	1" x 4"	100	Blue
02:	2" x 4"	50	Blue
03:	2" x 4"	800	Blue
04:	4" x 4"	200	White and Blue
05:	4" x 4"	50	Blue
06:	6" x 6"	150	White and Blue
18:	6" x 12"	100	White and Blue
24:	12" x 12"	100	White and Blue
30:	12" x 12"	30	Blue
